

Buffalo Public Schools

We are excited to announce our **FIRST** **Summer Mathematics Contest**

Rising Grades 2 – 6 students.

Use First in Math to practice fluency and skills.

Monday, June 26 through Friday, September 1.

The top three students, at each grade level, will be awarded prizes!

Winners will be notified and recognized early in the 23-24 school year.

To participate,

log into First in Math through Clever and complete the math activities of your choice.

Good luck and have fun!

Happy MATHing!
